Up To
500 Mbps - $49.95

START YOUR FREE 7-DAY UPGRADE TRIAL TODAY!
Go to https://onboard.ics-llc.net, log in, and select "Manage Upgrades" button for full offer details or call 515-268-4000.

WHAT IS PROVIDED?

Your Internet is powered by QUICKLINK
The quickest and easiest way to manage your Internet connection and get online!

SPEED: up to 100 Mbps

TYPE: Wired (Ethernet)

WHAT DO YOU NEED FOR IT TO WORK:

FOR A WIRELESS CONNECTION:

Ethernet Wireless Router of your choice

ICS recommends a Linksys AC 1750(EA7300). You can purchase this router at many retailers or the ICS Support Location.

ICS SUPPORT LOCATION

215 Stanton Avenue, Ames, Iowa
8AM - 5PM M-F

Remember to go here and not our main office on Alexander

TO CONNECT TO THE INTERNET:

1 **PLUG IN**

Plug your device into the Ethernet wall jack in your living room using an Ethernet cable.

> If you are using a router, plug the router into the Ethernet wall jack in your unit and connect your device to the router's Wi-Fi.

Open a web browser and it should go to the ICS login page.

If not, go to www.ics-llc.net

2 **LOGIN OR SIGN UP**

If you already know your ICS username and password please enter it and click "Login".

If not, please click "First Time User" and follow the onscreen instructions.

Select the "Add a New Device" button

Name your device. Select "Wired Connection" and click "Save"

> If the MAC section is empty, please go to **ics-llc.net** and it will direct you to a page to log in. After you log in, repeat Step 2

Need Help? Please contact ICS...NOT your property manager! We're here to help!
